Your attitude when addressing us elders needs some attention.
Sigh... It's obvious that you're not from Murim.

Becoming my son means that you become a part of our family.

Look!! Eun Aran!! The Main Family will never own those buildings no matter what they do!

Sfx: Paat

Because of their "rules and conducts", they choose to hide and call themselves the "real people of Murim".

However, we of the Branch Family are different! What's the point of having great power if you can't use it!?

What kind of crazy bastard are ya?

You guys are the biggest mafia in this quadrant, Chung Doo Gang, right?

You bastard!!

Sfx: Kwaaa crash

We, the Branch, have conquered the gangsters and taken over their hideouts. It was easy since we're been trained in martial arts.

We've successfully obtained all of their assets.

Behold. Every single building in before you is ours.

!!!!

Murim can take over this world, by taking care of the underworld one by one.

No matter how strong or how rich they are; no matter how much they try to hide; money can solve everything...

And we'll keep expanding.

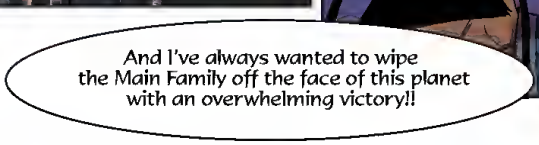
chuk

No one can deny that fact.

and it will not change!

So why does an Elder want to have me as a son?

Hahaha! I've always wanted a violent son like you.



And I've always wanted to wipe the Main Family off the face of this planet with an overwhelming victory!!

.....

Learn every technique from the Branch and lead our army.

Do you want
to defeat the Main Family
and unify all of Murim?

I want only the Branch to
be able to rule over Murim!
Sfx: Paat
If you do not follow me,
I'll kill you on this spot!!
